

CURRICULUM VITAE

Zadorozhnii Vladyslav

Affiliation and official address:

Postgraduate, Department of Nonlinear Crystals, Institute for Single Crystals
NAS of Ukraine,

61072, Ukraine, Kharkiv, Nauky Ave. 60.

E-mail: vladzador.ua@gmail.com

Education (*degrees, dates, universities*)

2019 – M. S. V. N. Karazin Kharkiv National University, Ukraine (Physics and Astronomy)

Career/Employment (*employers, positions and dates*)

2019-date Engineer Institute for Single Crystals NASU, Kharkiv, Ukraine

2019-date Postgraduate Institute for Single Crystals NASU, Kharkiv, Ukraine

Thesis research topic: Influence of modifications and composition of stilbazolium derivatives on growth and properties of DAST crystals

Main field of activity and current research interest

Crystal growth from solutions; Physical properties of nonlinear optical materials

Publications and patents
